Dear Charles,

It my pleasure to write this letter recommending Cornucopia to any department or institution desiring excellent and enjoyable musical services.

Your performances have lent an air of elegance to the celebrations and receptions that the Office of the Vice Provost for Research has hosted in the last seven years. I thoroughly enjoy your repertoire, which ranges from the Baroque through the Modern periods; the beauty of your musical performances is continually admired by guests and hosts alike. I appreciate your ability to tailor your program to the venue and for the guests we have gathered.

You have helped us set the tone for the kind of sophisticated reception for which our office is now known, and for that I thank you.

Sincerely yours,

A handwritten signature in cursive script that reads "Robert C. Richardson".
